Mr. Peter Fogel

Dear Peter:

On behalf of the **Alan Jay Automotive Network** – I want to THANK YOU for the excellent evening of entertainment you provided us. I know we contacted you on three day's notice, but your professionalism shown through as you customized your funny material on our industry and our company.

I received wonderful reports Monday morning on your performance from our staff. As you learned this past weekend, employees are like family to **Alan Jay Automotive**, and now, we would like to think of you as part of our family as well!. I cannot recommend you enough to any company that would like to have clean, clever, humor – and a performer who will go the extra mile to please a client.

Warm Regards,
