Dear Peter:

I want you to know how impressed and pleased Aramsco was with your comedy act at our National Sales Meeting in Florida. It was amazing in such a short period of time you gathered information about our company to personalize your jokes which were right on. In our line of work, natural disasters are what keep us in business; you targeted my concerns and made the lines funny without sounding cold, nice job!

I am confident you will continue to be successful and wish you all the best. I look forward to the opportunity to work with you again and thank you for making my first meeting as CEO one that will be remembered.

Best Regards,

Bill Green
