Dear Peter,

On behalf of TIP Technologies I would like to THANK YOU for the wonderful evening of comedy you provided us and our customers on Wednesday, May 13, 2009. You were fantastic, especially in view of the short notice on our engagement, and also the limited information you had regarding our company. Your ability to so flawlessly zero in on what makes our industry unique, with hilarious improvised parody, was outstanding. You far exceeded our expectation!

As the coordinator of the event, I can tell you that I have received nothing but high praise about the evening. I hope this was evident to you by the STANDING OVATION you received. There is no doubt in my mind that choosing you as our headliner act for the evening's entertainment was the right choice. I wish you continued success, you definitely deserve it!

Sincerely,

Patrice Miller
